At the ANU College of Engineering and Computer Science, you will be studying at Australia’s leading university – with a community of innovative students, teachers and researchers who are finding solutions to the world’s greatest challenges.

Find out more at cecs.anu.edu.au

#1 in Australia and Top 25 in the world*

ANU is #1 in Australia for International Outlook in Engineering and Technology 2018**

6 Nobel Laureates among our faculty and alumni

Innovative and advanced approach

Home to Raijin, Australia’s most powerful supercomputer

Guaranteed accommodation for all undergraduates that apply.***

Modern and unique degrees

Home to the world’s largest paraboloidal dish solar concentrator

*QS world Ranking 2019  **Times Higher Education 2018  ***Conditions apply
Credit Arrangement

ANU College of Engineering and Computer Science & Manipal University

The table below outlines the minimum academic requirements and indicative credit that may be granted.
Note: All applicants must provide evidence that their English language ability meets minimum requirement for admission. For detailed information please visit: anu.edu.au/study/apply/english-language-requirements

### Engineering degrees

<table>
<thead>
<tr>
<th>Manipal, ICAS Bachelor Degree (first two years completed)</th>
<th>CGPA</th>
<th>ANU Bachelor Degree</th>
<th>ANU Normal Duration in years</th>
<th>Advanced Standing in years (Credits)</th>
<th>Pre-requisites*</th>
</tr>
</thead>
</table>
| B.S. (Electronics & Communication)                       | 3.2/4.0 | Bachelor of Engineering (Honours)  
  - Electronic and Communication Systems  
  - Mechatronic Systems | Bachelor of Engineering (Honours)  
  - Renewable Energy Systems | 4 years | Students to study the following courses as part of their degree program at Manipal:  
  - Signal Analyses & Telemetry (BM 241) instead of Economic Analysis (HS 243) |
| B.S. (Biomedical)                                         |       |                      |                             | 2 years (96 credits) | Students to study the following courses as part of their degree program at Manipal:  
  - Thermodynamics & Fluid Mechanics (ME 241) instead of Economic Analysis (HS 243) |
| B.S. (Mechanical)                                         |       |                      |                             |                       | Achieving the required CGPA of 3.2/4.0 |
| B.S. (Mechatronics)                                       |       |                      |                             |                       |                                             |
